

Saving You Money

By combining the purchasing power of very large pools of buyers, ECE Shared Resources negotiates national cost savings programs with vendors used by ECE programs and others throughout the USA. Everyday savings with ECE Shared Resources enables child care providers to achieve more with their existing budgets.

Impacting Your Bottom Line

Childcare Products & Classroom Supplies

- Using Discount School Supply, child care programs and family child care providers **save 20% every day**.
- Through a special negotiation made on behalf of providers, Staples offers gloves at an exclusive rate of **\$3.79 per box**, saving providers hundreds of dollars per year on this essential product.

Payroll Processing

- Using ADP Payroll and HR Services program, several family/home-based child care providers with only one employee are **saving \$600/year** on payroll and tax reporting.
- A business with thirty-five employees using ADP Payroll Processing **saves \$1,200/year** using our discounted programs.
- Family/home-based child care providers with only one employee **save \$900/year** on worker's compensation insurance.

Facility & Operations Products

- A business with a 10,000+ sq. ft. facility and one acre of grounds spent an average of \$720/month on industrial supplies, tools, and safety equipment. They **saved \$1,426 last year** with our program.
- A multi-site program saved approximately **\$1,700 in six months** just by purchasing their cleaning and safety products through our program.

Office Supplies

- A business spending \$9,000 a year on office supplies, restroom and kitchen paper supplies, ink and toner is **saving 13% or \$1,233/year**, through our office supplies program.
- Average savings through the Staples program is **17%**.

Food & Beverage

- A child care program serving 200+ children with an annual food and beverage budget of \$100,000 realized a **savings of \$26,000/year**, or just about 25%; enabling them to buy more fresh food and healthier items.
- A child care facility serving 170+ children with an annual food and beverage budget of just under \$85,000 was able to **save \$24,000/year**, or about 25% of their budget.
- A child care center with a budget of \$8,000 to serve 120 children was able to **save 17%, or \$1,360/year**.

Wireless Services

- A business with 15 employees spends on average \$795 per month for wireless services. With our programs, this business is **saving \$140/month or \$1,680/year**.

"We have also seen incredible cost savings for our members. One program saved \$26,000 by switching to FoodSource Plus. Another is saving \$200 every month by switching to the site's credit card processing vendor."

ECE Shared Resources is a great program for our members!"
